NY Airtel 9/1/78 re: Covert Action Information Bulletin

New York believes Cuban intelligence is directly involved with "CovertAction" and was involved with "CounterSpy." Undoubtedly extensive planning and coordination took place in the U.S. leading up to the travel to Cuba of the six principal organizers of "CovertAction" and its announcement to the world press in Cuba on 7/28/78. The conduit in the U.S. was unquestionably Cuban intelligence.

(S)

Although not specifically stated - to expose FBI personnel and FBI methods of operation - it may be reasonable to assume that "CovertAction" may in fact attempt to do so in the future, particularly if they feel that they are not subject to investigation by the FBI and if they believe they can get away with it. For information of the Bureau, [redacted] has been in contact in the past with [redacted] supra. Asset has established credentials with [redacted] (S)

b7D

(U)

New York believes this matter should be thoroughly assessed by the Bureau (subject to Attorney General Guidelines). If active investigation is deemed warranted, specific investigative objectives should be identified and delineated to appropriate field offices. New York will not target [redacted] unless authorized by the Bureau. (S)
